THE HON'BLE SRI JUSTICE V.V.S. RAO

WRIT PETITION NO.18177 of 2006

ORDER:

The petitioners allegedly are cultivating the land in survey No.59 of Lenkalapalle Village, Nallabelle Mandal, Warangal District. They allege that the third respondent raised a fence under Food for Work programme obstructing the petitioners' cultivation. They, therefore, filed a complaint with the grievance cell in the office of the first respondent. According to the petitioners, the first respondent directed the second respondent to take necessary action on the representation given by the petitioners and in spite of the same, the respondents did not allow the petitioners to cultivate the land. Therefore, they filed the present writ petition, *inter alia*, seeking a direction to the respondents not to interfere with their cultivation of the land.

At the stage of admission itself, the learned Assistant Government Pleader for Revenue (General) has obtained instructions. He submits that the land admeasuring Acs.78.34 guntas in said survey number is Government Sarkari land classified as Vuru Cheruvu Sikham (tank bed land) and therefore, the same cannot be cultivated. A copy of Adangal/Pahani for the year 2003-2004 is also produced before this Court. He, however, does not dispute that the representation given by the petitioners to the first respondent has been forwarded to the second respondent.

Therefore, the second respondent is directed to take necessary action as directed by the first respondent on the representation dated 23-08-2005 made by the petitioners. The relief as prayed for in this writ petition, however, cannot be granted.

The writ petition, with the above direction, is accordingly dismissed. No costs.
